HISTORY

Welcome to Beneath Driver Lane,
a shrine to quality liquor, great food, and good times.

This basement in the heart of Melbourne's CBD is one of our city's original buildings, initially operating as the underground Money Order Office for the General Post Office. We have stripped the walls back to raw brick and utilised natural materials to honour the original beauty and history of the venue. We pride ourselves on creating a welcoming environment that houses top quality drinks and food.

Welcome to our Beneath Driver Lane, where good times are a plenty and the bar is never dry.

HOUSE RULES

'Happy' is not limited to just one hour.

Name-dropping isn't cool, regardless of who you are.

Please don't sleep at our tables. We don't eat in your bed.

Friends don't let other friends go thirsty.

Telling lies is unacceptable, you may however grossly exaggerate.

Buying someone a drink is always five times better than a handshake.

When you do eventually exit, please do so quietly, our neighbours above us are sleeping.

Salute!
